## Student Counsellor Cell

Student Counseling Cell is a unit, where professional, confidential counseling service is available to all students.

Counseling cell provides an opportunity for any student to discuss in private any concerns which may be impacting on academic performance or personal health and well-being.

In the course of the counseling process, student's strengths are highlighted and maximized with a focus on his self-growth, self-awareness and self-acceptance.

Counseling may provide a chance to find a new perspective on the problem and often to become more accepting oneself.

Counseling is generally offered on a one to one basis and is strictly confidential.
